

**MACMILLAN
CANCER SUPPORT**

**IT'S OKAY
TO TALK
ABOUT CANCER**

**Cancer Awareness for Health Care Professionals working in Primary Care
throughout Kent and Medway**

Delivered via virtual interactive modules in replacement of our face to face training, we are now able to offer a series of cancer awareness learning modules in collaboration with Cancer Research UK.

The training modules are aimed at Practice Nurses, Paramedic Practitioners, Health Care Support Workers, Community Pharmacists, Social Prescribers and Reception/admin staff. Pick and choose your modules and the date you wish to complete them (see attached time table). Modules can be completed in any order and are all one hour in duration. CPD certificate issued for each session you attend.

Modules

Cancer Prevention and screening

Cancer red flags

Cancer Treatment and its effects

Communicating with people who have cancer

Living with and beyond cancer

Cancer Awareness for reception and administration staff

To book any of the sessions please register via the Eventbrite link. If you have any questions or would like more information please contact Kate on kateregan@nhs.net
